

# Sign you work with excellence

**Hair Scope: February - April 2009**

AT EMPORIO VALENTI, their aim is two-fold. First and foremost is their quest to not strive for, but deliver service excellence and secondly their dedication to produce results in each and every treatment they perform. Hence their motto: Sign your work with excellence!

The experienced team of Somatologists and Hair Stylists all boast international qualifications and are veterans in their respective fields. They pride themselves on their commitment to maintain the highest standards through continuous training and education.

They specialise in paramedical skin revision which enables them to address ageing lines, acne, pigmentation, sun damage and scarring with astonishing results. All treatments are preceded by a consultation and skin analysis in order to determine the most effective skin treatment and homecare prescription.

The salon offers a full range of treatments from beauty, body, nails and tanning to hair treatments and quaffs fit for the red carpet.

All these services are available under one roof, providing clients with the convenience of one appointment and one destination for all their grooming needs.

The expansive and serene salon is tastefully decorated in crisp shades of white. Managing Director, Tanya Valenti, is the brainchild behind the concept. "I wanted to create a space where we could offer a 360 degree grooming experience" says Valenti, who has more than 16 years experience in the beauty industry.

Each of the 11 treatment rooms enjoys natural daylight as well as individually controlled maid service facilities and tailor made air conditioning systems. The rooms are functional as well as tranquil, thereby creating the correct dynamics from both a client and therapist perspective.

Emporio Valenti is open 6 days a week, is ideally situated in the Cape CBD in Hans Strydom Avenue and offers complimentary parking.

So, if you need a new hairdo, a tan, a facial, wax, pedicure, manicure, massage or even a pilates class – this is the place.
